

## ACCESSING NEXT 2019 GLOBAL USER CONFERENCE REPORT

Clients who have not previously registered for Customer Support Portal access, follow these instructions to view and download the report. **If you already have portal access, skip to step 2.**

1. Visit our Customer Support User Registration Page and complete the form here:  
<http://www.numerix.com/new-support-user-registration>

Upon completion our support team will review and approve your request (which will just require validating that you're an active Numerix Client).

Once approved, they will send you an email with your username and password along with instructions for accessing the portal.

2. Next you'll **log into the Numerix Customer Support Portal**:  
<https://numerixanalytics.force.com/support/login>

You'll use your existing Username and Password.

[Forgot your password?](#) Use the help tool at the bottom of the log in screen.

3. Select the **Knowledge Center** section. Then select **NEXT** from across the top navigation.

The report can be found under **NEXT 2019**.
